I'd like to become a Dakshana Scholar and hopefully attend IIT because My aim is to become an Engineer. There are many students who wanted to become an engineer like me but they are unable to get high ^{quality} coaching of IIT JEE, because they belongs to poor family. but dakshana provides an opportunity to become an engineer through navodaya. It is only coaching centre which provides high quality coaching without any cost. I think I am a very lucky guy selected for dakshana. so its my pleasure to become dakshana scholar. My neighbour got ~~crackee~~ selected in IIT Kanpur in last year. It gives me inspisation to become an IITian. This two year program is like an big opportunity to become IITian. I will use it effectively. I will work hard and achieve my goal.
